

IAN SHORT PHOTOGRAPHY

One Day Workshop

We begin at 10-00am at Pry House, Keld.

Presentation and discussion.

The presentation will be on photographic techniques, camera creative modes, and a review of images that it may be possible to get in Swaledale at this time of year.

We will also use Raw converters, Photoshop digital darkroom methods and workflow and practice that will not only improve your photography but will help with image organisation.

Beginners and intermediate photographers welcome.

All will be demonstrated and practised.

What to bring:

- Camera and any lens
- Tripod (if you have one)
- Camera manual
- Laptop(if you have one) with any software you use
- Notebook and pencil
- Warm clothing and decent footwear for short walks in Swaledale

There is not much walking so don't be concerned about carrying equipment too far.

Some Possible Locations (depends on the weather)

- Overview of Swaledale from Ivelet or Oxnop.
- Birkdale and Ravenseat.
- Trees in the landscape.
- Swaledale walls.
- Looking east just above Thwaite.
- Kisdon or Wainwath waterfalls.
- Stone House and Lonin End.
- Moorland birds.
- And of course Swaledale sheep.

We are looking to produce about 8 portfolio images.

Post workshop follow up.

- Use Digitalab to print decent size prints of your best pictures
- Regularly practise the techniques used on the workshop.
- Get in touch if you need help.
- Start to produce a portfolio of your best images.
- Produce a photo book using Blurb software.

DO NOT HESITATE TO CONTACT ME IF YOU WOULD LIKE TO DISCUSS ANY OF THE ABOVE WORKSHOP ARRANGEMENTS.
